SPIRITS

SINGLE MALT 30MLS

To earn the revered title of single malt Scotch, a whisky must be born in the heart of a single Scottish distillery, crafted solely from malted barley, yeast, and pure water, and nurtured in a copper pot still. But that's just the beginning of its journey. It must then rest and mature in an oak cask for a minimum of three years and a day, finally emerging with a bold spirit that's no less than 40% ABV—a testament to its rich heritage and meticulous craft.

LIQUEURS & APERITIFS

CALVADOS & EAU DE VIE 30MLS

Calvados is a distinctive type of brandy, or eau-de-vie, that proudly carries the name of its home region in Normandy. Unlike its celebrated French cousins like Cognac and Armagnac, Calvados is crafted from apple cider—or pears, in the Domfrontais area. After distillation, this spirited apple essence must age for at least two years before it can be officially called Calvados, capturing the true taste of Normandy's orchards.
